In order to ensure better quality of the game in Blockman Go, we are releasing the GO Beta Blockman to some players to experience new games in advance. Your feedback will help us solve bugs and decide the direction of next optimization. For active beta testers, we will give away cubes, coins and other awards, please send your suggestions to our email: Precautions: 1. The game data in Beta are independent from any other server or versions. Blockman GO accounts cannot be used in Beta and Beta accounts can not be used in Blockman GO. 2. Beta is a server used to test and experiment new versions. Due to the uncertainty of the test, the official occasionally "deletes files" (clear reader data) and "setback" (registration server data) in the Beta. To play Beta, please understand the situation and collaborate with us. 3. The Top-up function is not available temporarily in the Beta. And game objects cannot be purchased through any channel. 4. For the purposes of the test, the activities released in the Beta cannot be consistent with the final one in the Blockman GO app, which depends on the test objectives of the phase, and please check the final activity in Blockman GO. 5. After the new game has been tested for a period of time, we will close the new game in the Beta. For those who want to experience the full functionality of the game, please download the Blockman GO app. What's new in 1.4.2 1. New game: Yellow Break 2. Update: Bed Wars Blockman GO is a free-download game app that provides players access to online minigames that you and your friends can play. Each game features a block-style art design and customizable avatars for you to dress in any style you want. There is also a chat system in play, providing a convenient way to interact with your friends. There are various arcade style games in Blockman GO. Each of them combines royal game battle elements with graphics reminiscent of Minecraft and Roblox. In addition, there are large settings options you can try to experience new adventures in each spin. What are the games in Blockman GO? There are several minigames in Blockman GO. Among the most important is Sky Block, which offers the same gameplay of the original Skyblock game, but with the addition of mining-exploring, boss-challenging and time-limited activities. Then there's the Jail Break, where you and your friends, like cops or prisoners, and try to pull each other up. There is also the Bird Simulator, where you play as a bird coach. Bed Wars is also included, which has similar gameplay as the standalone game. Here, you and three other players will destroy the beds of their enemies while simultaneously protecting your own. There are also Sky Wars and Sky Royale games, which share the same mechanics but with some differences, such as game maps and treasures to collect. Finally, there is the WWE Simulator, which allows you to participate in WWE games. As mentioned, the application has an integrated chat system, so you can keep a conversation as you play, whether private or in a group. It also comes with large customization options, which allows you to design your own avatars. Note, however, that the character that the system provides depends on the chosen genre. Be aware of creating a character characterYou can't change your kind. Playing online multiplayer funny Blockman Vai is a fun game in which you can engage in funny clashes with your friends. The app offers access to many minigames, all equipped with exciting sandbox gameplay. It also has character customization, giving you creative freedom when it comes to avatar. Some games could use some improvements. Overall, it is a multiplayer platform that you can enjoy. Enjoy. bedwars fly hack blockman go download
